Description

## Kavo Estetica E70 Dental Chair Package

The Estetica generation takes ergonomics and comfort to a new level.

The E70 is based on the revolutionary suspended chair approach, which gives a surprising amount of legroom for both you and your dental team.

**The dental unit features:**

- 2x Tubing outlets & LUX coupling 465LRN
- 1x KL702 electric micromotor with torque control
- Dentist & nurse syringe
- Upholstery
- Spittoon valve
- Kavo LUX 1410C
